

# RECAS Repository

## How to search through the RECAS Repository

The RECAS Repository can be searched by using several categories of tags which offer a simple overview of documents based on different types of information.

You can search for documents using the following tags:

**Basic information on the document** – with four simple tags that enable search by:

- title of the publication,
- author’s name,
- language in which the document is written,
- year of publication.

**Thematic areas** – includes a list of tags referring to the area of the public policy that the topic of the document belongs to, and includes the following fields:

- Active Citizenship and Democratic Institutions
- Creation and Politics of Space
- Digital Society
- Economic Development
- Education
- Environmental Protection and Green Policies
- Foreign Policy and Defense
- Gender Research
- Holocaust Research
- Philanthropy, Solidarity, and Care
- Research on Socialism and (Post-) Yugoslav Studies
- Social Critique

**European Integrations** – enables easier search of documents according to their relevance to different chapters of the EU accession negotiation process. The negotiation chapters are grouped around the following themes of the EU acquis:

- Economic criteria
- Functioning of democratic institutions
- Public administration reform
- **Chapter 1:** Free movement of goods
- **Chapter 2:** Freedom of movement for workers
- **Chapter 3:** Right of establishment and freedom to provide services
- **Chapter 4:** Free movement of capital
- **Chapter 5:** Public procurement
- **Chapter 6:** Company law
- **Chapter 7:** Intellectual property law
